A short repertory which will help in finding the true homoeopathic remedy with greater ease and certainty. It is a combination of analytic and synoptic methods.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconsolate disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers.

This work is intended to serve as a handy and useful reference book. It is an attempt to lessen the difficulties of the prescriber. Remedies for a particular rubric are reduced to minimum possible by a careful selection. No drug is given unless there is strong justification provided for it, by authorities like Dr. Boger, Dr. Kent, Dr. Clarke's dictionary, etc. In this repertory, the heading including Mentals, Generals, Modalities, Organs, and their Sub-parts are thoroughly explained.

A Repertory Which Will Help In Finding The True Homoeopathic Remedy With Greater Ease And Certainty. It Is A Combination Of Analytic And Synoptic Methods.

North American Boletes is the first comprehensive guide to an extraordinary and highly prized group of mushrooms known for their beautiful colors, distinctive features, relative abundance, and edibility. The scope of this work goes beyond the identification of species. The authors consider the symbiotic relationship that boletes share with higher plants and trees, their geographical distribution, and new information regarding the macrochemical test reactions of the boletes, they also describe several new species. The book’s combination of aesthetically appealing and scientifically accurate color photographs and extensive descriptions makes it a standard reference work for bolete identification in North America.

The resurrection of Jesus is thoroughly explored, using extra-canonical sources to fill in the blanks. Original.
